

Executive Leadership Team Development Programme

About This Programme

FE Associates new Executive Leadership Team (ELT) Development Programme has been designed with a specific focus on:

- **Building cohesive senior leadership teams.**
- **Providing the space and time to press the pause button.**
- **Ensuring team members know, understand and appreciate their colleagues.**
- **Creating a shared understanding of the unique ambitions, perspectives and preferred ways of working among team members.**

Through four facilitated one-day workshops and individual one-to-one coaching support, executive leadership teams will gain individual and team insights, build honest, caring and trusting relationships, create a unified team purpose and vision, position themselves to work more effectively across the organisations they lead and ensure they are well connected to the internal and external worlds of Further Education and Skills.

Executive Leadership Team Development Programme

Delivered by our team of senior leadership development and coaching experts Dame Sally Dicketts DBE and Larry Shulman, the new FEA Executive Leadership Team Development Programme is well suited to:

- **New and refreshed senior teams.**
- **Longstanding senior teams undergoing strategic change.**
- **Senior teams developing new organisational strategies and priorities.**
